## Technical information

### Testing and Operating Pressures

Henrad Alto Line has been independently tested to ensure these radiators perform to a maximum working pressure of 10.0 bar.

### Connections

Henrad Alto Line has 6 x 1/2" BSP connections as standard.

### Paint Process

Two coat paint process, each Henrad radiator is subjected to a multi-stage cleaning and paint process.

The final powder coat is Traffic white (RAL 9016) which is stoved and cooled to give a perfect finish. All radiators are illustrated in Traffic white unless stated.

### Water Treatment

Installation of the system should be properly flushed and fitted in accordance with the British Code of Practice for the Treatment of Water in Domestic Hot Water Central Heating Systems.

### Warranty

Henrad Alto Line comes with a 5 year manufacturer's warranty.

Henrad (UK) Limited, Marriott Road,  
Mexborough, South Yorkshire S64 8BN.
